

**Dr. Gary Hua**  
Founder and President  
Inventronics, Inc.  
China

**Dr. Gary Hua** received his B.S. and M.S. degrees from Zhejiang University in 1985, 1988, respectively, and his Ph.D. degree from CPES in Virginia Tech in 1994. He has published over 60 papers in international magazines and conference proceedings, and has received over 80 patents worldwide.

Dr. Hua is a co-founder & former VP of Engineering of VPT Inc., which is now one of the largest military/aerospace power companies in the world. He is also the founder & former President of e-Power Co., Ltd, now a wholly-owned affiliate of the NASDAQ-listed Bel Fuse Inc.

In 2007, Dr. Hua founded Inventronics, Inc., which is currently one of the largest manufacturers for high efficiency, high reliability and long life LED drivers. In 2015, Inventronics started to enter electric vehicle charger business.
